# In&Out Upholstery Collections

A refined synthesis of performance, beauty, and innovation

Designed for both indoor elegance and outdoor resilience, JOVER's fabrics offer outstanding durability without compromising on aesthetics.

Crafted using advanced solution-dyed yarns and treated for UV resistance, the collections ensure long-lasting color vibrancy even under sun exposure. Its fabrics are water-repellent, breathable, and resistant to mold, stains, and chlorine—making them ideal for a wide range of residential, hospitality, and marine applications.

Beyond performance, JOVER's designs stand out for their refined textures, elegant neutrals, and contemporary color palettes.
