Curtain Collections

Timeless elegance with the rich heritage of Spanish textile craftsmanship

Designed with a refined sensibility, the range includes flowing linens, silks, sheers, and jacquards that beautifully filter light while adding character to a room.

Whether classic or contemporary, each fabric is distinguished by its balance of texture, color, and drape—offering decorators the flexibility to create both soft, romantic environments and more structured, architectural settings.

Tradition and innovation meet to enhance any interior with understated sophistication.

In&Out Upholstery Collections

A distinguished palette of textures, patterns, and materials

From velvets and chenilles to intricate damasks and modern prints, the GASTÓN Y DANIELA collections blend Spanish tradition with global influences.

Built for comfort and durability, these fabrics are ideal for both residential and high-end contract use.

Rich colorways, artisanal weaves, and refined detailing make each design a timeless choice—perfect for elevating sofas, armchairs, headboards, and other upholstered elements with personality and prestige.

Wallcovering Collections

A celebration of artistic heritage and contemporary design

With collections that span from panoramic prints and elegant textures to reinterpretations of classic motifs, the brand brings walls to life with depth and character.

Many wallcoverings are coordinated with their fabric lines, offering harmonious interior solutions.

Technical features such as fire-retardant finishes and high durability make them suitable for both private and contract spaces.

Always refined, always expressive—GASTÓN Y DANIELA wallcoverings create atmospheres that resonate with history and modern flair.
